

map & instructions for delivery drivers

Jali is just off the A2 halfway between Canterbury and Dover.

From the M25, take the A2/M2 towards Dover, and stay on the A2 until you have passed Canterbury.

- (1) Still on the A2, take the A260 exit, signed to Wingham, Womenswold and Folkestone.
- (2) Take the second exit on the roundabout, which takes you over the A2 on the bridge.
- (3) At the T junction, turn left towards Folkestone.
- (4) After ½ mile, just past the petrol station, take the sharp right hand turn to Barham.
- (5) After ½ mile, Jali is the red brick building through the green metal gates on the left.

If you are in an HGV please do NOT try to take different routes through the village itself. The road past the church is a restricted road and you will get stuck!
